YOU'RE INVITED TO HELP PARKER UNDERWOOD

Parker Underwood is an adorable little boy whose smile is the perfect cure for a cloudy day. He is the 2-year-old son of Aaron & Jamie Underwood, and in February 2007, Parker was diagnosed with Acute Leukemia. You can partner with Cici's Pizza and help the Underwood family by eating at the Orange City Cici's Pizza ANYTIME on Tuesday, November 13. When you come in, tell the cashier that you are there for Parker's Pizza Day/Night and they will have you write your name on the back of your receipt and drop it in the designated bucket. You can come in for lunch or dinner or take out. Yes, that is right! If you can't make it in to dine with us, you can order pizza to go and still contribute on Parker's behalf (just make sure you tell the cashier or manager when you come in to pick up your pizza). So, skip cooking, come in, have fun, and pig out on pizza (and salad, pasta, brownies and cinnamon rolls of course) and do it all for a good cause. It is SUPER easy!!!
