***About Parker and the Underwood Family***

Parker is an adorable little boy whose smile is the perfect cure for a cloudy day. He is the son of Aaron and Jamie Underwood and brother to Payton and Paige. In January of 2007, the Underwood family relocated from Ft. Myers, FL to Deland, FL. In February 2007, Parker began taking the Underwood family on a new adventure, one that is dangerous and very frightening. He has been involved in many battles against an enemy that no child should ever face; Acute Leukemia. For more information about Parker and his family's journey, please visit:
